He had never so much as considered that topic before, and with the large expectations he was under he was quite depressed.

Willens-kun was troubled.

A man of
great
moral

healed, he
forgot all his
previous
pain and was
revitalized

HE'S
JUST A
JACKEN

I WONDER
WHAT IT WAS
THAT KURODA-
SAN WANTED
AFTER ALL...

Now, at the 3rd volume, I've finally found out that the summit I had spoken of does not exist. This "top" I speak of is probably something one must admit, as in other words, as long as you keep trying, the summit becomes higher and higher.

Of course, reaching the peak and completing your work is wonderful in its own right, but rather than stay in one place, I'd rather keep challenging my limits and progressing.
